

Volunteers

All families are required to volunteer in some capacity at all the meets and with team events. We understand that certain individuals may have time/work constraints and we try to accommodate them, however, understand also that it is unfair and not the responsibility of a few parents to have to fill the positions at the meets. As a team we are required to provide a stated amount of volunteers in different positions at each meet. If we do not have the volunteers available we may not be able to participate at the meets. This applies to all meets, prelims, Championships and All Stars.

You may sign up for your choice on April 25th or May 1st or check out the volunteer roster online and contact Krys Trieu at krystrieu@gmail.com/303-751-2731/720-206-4221.
